

Green Garden Seminar Series

All programs will be held at Furnace Run Metro Park - Brushwood Pavilion (4955 Townsend Rd., Richfield, OH 44286) from 6-8pm on the dates indicated below. Program fee is \$10 for each session.

April 24: Beyond Beauty: Invasive Ornamentals

Danae Wolfe, Extension Educator in Summit County, will discuss the threat of invasive plants & plants to watch out for when shopping for your landscape.

May 29: Go Native!

As a follow up to *Beyond Beauty*, Danae Wolfe will help you discover how you can enjoy the many benefits of incorporating native plants in your landscape.

June 26: Gardening for Wildlife

Discover how you can turn your yard into a Certified Wildlife Habitat with Marne Titchnell, OSU Extension Wildlife Specialist.

July 24: Check Out the Buzzzz!

Denise Ellsworth, Honey Bee & Native Pollinator Program Director, will discuss how to create a garden that's perfect for pollinators.

August 28: Monarch Mayhem

Learn about the plight of the monarch butterfly & discover how you can create an oasis to help these fragile creatures thrive. Speakers include Carrie Elvey, Naturalist for The Wilderness Center, and Sharon Treaster, OSU Department of Horticulture and Crop Science.
